I Am | F | C | G |

## Verse 1

Am F

My soul, it waits

C G

For you, in this place

Am F

My heart, it holds to

C G

The promise You have made

My soul, it longs

For you, oh my God

My heart's desire

Is to see Your Kingdom come

## Pre-Chorus 1:

F G

For You alone restore all things

F G

So let the broken stand and sing

## [Verse 1]

## Pre-Chorus 2:

F G

For You alone restore all things

F G

So let the broken stand and sing

F G

From desert ground, flowers now will

F G

bloom

For You alone renew all things

So let Your light break through the dark

[Oh] for Your glory, Lord come fill us now

I Am | F | C | G |

## Chorus 1:

Am F

Open heaven now

C G

Spirit come, fall on us

Am F

Like a rushing wind

C G

Spirit breathe, touch this place

Open heaven now

Spirit come, fall on us

Like refreshing rain

Pour it out, heal this place

## Chorus 2:

Open heaven now

Spirit come, fall on us

Breaking every chain

All the captives be set free

Open heaven now

Spirit come, fall on us

Like a burning flame

Light a passion within me
